

Connecting audiences

www.bgcommunications.ca

OUR FOCUS

At BG, we go **beyond** simple translation and interpret ideas to make them global and meet the **communication objectives** of our clients.

We are focused on delivering **world-class service** and an outstanding customer experience to help our clients secure the understanding they need to **grow and prosper** on the international market with various language audiences.

MISSION-CRITICAL SERVICES

Aware of the importance of accurate, reliable, and timely information, we specialize in the translation of **mission-critical documents**.

OUR BELIEFS

There is nothing more important than an **excellent experience** and **human values**.

Our **success** is reliant on our clients' success.

We provide an **unparalleled experience** to every client and professional that we work with.

We treat **diversity** as a source of innovation, **creativity**, and growth.

PRECISION AND REACTION

We work with **extreme precision** and at a **high capacity**.

Our **highly reactive team** has the ability to deliver large-scale projects within tight deadlines.

We combine the **latest technologies** with the most talented people to leverage both **machine power** and **human talent**.
